

How Has Protocol 11 of the Learned Elders of Zion Shaped Our Path to the Antichrist?

Sixbert SANGWA • July 23, 2024

The "Protocols of the Learned Elders of Zion" is a document that outlines a sinister plan by a secret group, often linked with the Illuminati, for global domination. In its Protocol 11, titled "*The Totalitarian State*," the document delineates strategies to subvert the morals of the world's inhabitants and control the nations. It appears to aim at changing God's design and handing over the world to Lucifer. This brief article will delve into the provisions of Protocol 11, exploring how these plans have shaped global history and set the stage for the rise of the Antichrist. As Christians, understanding these schemes helps us stay vigilant and rooted in our faith.

Analyzing Protocol 11: "The Totalitarian State"

Protocol 11 describes a comprehensive strategy for establishing a totalitarian regime, emphasizing control over legislative processes and societal structures. The primary objective, inferred from the text, is to dismantle God's design and pave the way for Lucifer's reign. The document outlines methods to destabilize governments, manipulate economies, and corrupt societal morals.

The State Council and Legislative Control

The protocol begins by discussing the role of the State Council, described as the "show" part of the Legislative Corps, effectively serving as an editorial committee for the ruler's laws and decrees. This strategy centralizes legislative power, ensuring that laws serve the interests of the covert group. *"The State Council has been, as it were, the emphatic expression of the authority of the ruler: it will be, as the 'show' part of the Legislative Corps, what may be called the editorial committee of the laws and decrees of the ruler."* This control over legislation allows the group to shape policies that align with their agenda, eroding the democratic process.

Subverting Morals and Societal Structures

One of the most insidious aspects of Protocol 11 is its emphasis on undermining societal morals and structures. The protocol outlines plans to abolish freedoms such as the press, association, and conscience, alongside voting rights. This erasure of liberties is designed to weaken resistance and promote total control. The protocol states, *"By these combinations I mean the freedom of the Press, the right of association, freedom of conscience, the voting principle, and many another that must disappear for ever from the memory of man, or undergo a radical alteration the day after the promulgation of the new constitution."* As Christians, we see this reflected in the modern world, where moral decay and the erosion of traditional values are prevalent. [Daniel 9:27](#) shows that the desolator is coming on wings of abominations. [Proverbs 14:34](#) reminds us, *"Righteousness exalts a nation, but sin condemns any people."* The systematic promotion of sin and moral decay is a tool to prepare the world for the Antichrist, making it more susceptible to totalitarian rule. The current abominations being promoted are the wings the Antichrist is coming on, fulfilling the prophecy and leading to desolation.

Manipulating Economies and Creating Dependence

Another critical aspect of Protocol 11 is the manipulation of global economies to create dependence and control. By fostering economic instability and debt, especially in developing countries forced to take loans, nations become more reliant on the guidance of this covert group. Given that over 90% of the global economy lies in the hands of this group, this strategy eventually causes everyone to fall under their control. This is evident in the recurring financial crises and the growing economic disparity seen across the globe. The Bible warns against the love of money in [1 Timothy 6:10](#), *"For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows."* Economic manipulation not only creates dependence but also diverts people's focus from spiritual matters to material concerns.

Controlling Governments and Influencing Policies

Protocol 11 also outlines methods to infiltrate and control governments by placing loyalists in key positions of power. This ensures that policies align with the covert group's objectives, furthering their agenda of global domination. Historical events, such as the rise and fall of various political regimes, often reveal patterns of external influence and manipulation. As stated in [Ephesians 6:12](#), *"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."* The spiritual battle behind these political maneuvers is crucial for Christians to understand.

Shaping Geopolitics Through Wars and Conflicts

Wars and conflicts have been instrumental in reshaping global geopolitics, often serving the interests of those seeking to establish a totalitarian state. Protocol 11 highlights the use of wars to create chaos and disorder, making nations more amenable to control and reorganization. The secretive group's plan for three world wars reflects Jesus' prophecy. Given that there had been wars in the Old Testament involving Israel and its neighbors, Jesus was likely speaking of world wars. These wars were planned and executed by this secretive group, with the third world war being ongoing today. The Bible speaks of these wars and rumors of wars as signs of the end times in [Matthew 24:6-7](#), *"You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. Nation will rise against nation, and kingdom against kingdom."* Understanding the underlying motives behind these conflicts helps Christians remain steadfast in faith and discernment.

The Path to the Antichrist

The implementation of Protocol 11's strategies over the years has undeniably shaped the course of global history, aligning with the prophetic visions described in the Bible. The erosion of morals, economic manipulation, political control, and perpetual conflicts have brought the world closer to a state of chaos and dependence, ripe for the rise of a totalitarian ruler. [Revelation 13:7-8](#) speaks of the Antichrist's global dominion, *"It was given power to wage war against God's holy people and to conquer them. And it was given authority over every tribe, people, language and nation. All inhabitants of the earth will worship the beast—all whose names have not been written in the Lamb's book of life, the Lamb who was slain from the creation of the world."* The current so-called global challenges and globalism efforts are aimed at justifying and inaugurating that ruler, with a more formal centralized governance system.

Conclusion

As Christians, our duty is to remain vigilant and discerning, understanding the schemes of the enemy as outlined in Protocol 11. By recognizing the signs and staying rooted in biblical truth, we can resist the moral decay and deception that seek to enslave the world under a totalitarian regime. Let us hold fast to the words of [Ephesians 5:11](#), *"Have nothing to do with the fruitless deeds of darkness, but rather expose them."* Through prayer, study, and unwavering faith, we can stand firm against the forces of darkness and await the glorious return of our Lord and Savior, Jesus Christ.

[Revelation 19:19-21](#) shows that the Antichrist will rise but ultimately face defeat by Christ. Moreover, those who align with the Antichrist will share in his judgment. [Revelation 14:9-11](#) warns, *"If anyone worships the beast and its image and receives its mark on their forehead or on their hand, they, too, will drink the wine of God's fury, which has been poured full strength into the cup of his wrath. They will be tormented with burning sulfur in the presence of the holy angels and of the Lamb. And the smoke of their torment will rise for ever and ever. There will be no rest day or night for those who worship the beast and its image, or for anyone who receives the mark of its name."* The wrath of God is imminent, and the only refuge is in Christ. As [1 Thessalonians 1:10](#) tells us, *"Jesus, who rescues us from the coming wrath."* Additionally, [Hebrews 10:31](#) states, *"It is a dreadful thing to fall into the hands of the living God."* We must seek refuge in Christ to escape this judgment. As we approach the end times, let us be encouraged that the fullness of our salvation is closer than ever. [Romans 13:11](#) reminds us, *"And do this, understanding the present time: The hour has already come for you to wake up from your slumber, because our salvation is nearer now than when we first believed."* Let us remain steadfast in our faith, looking forward to the blessed hope of Christ's return.
